

# Workshop

## Gene expression and alternative splicing analysis

**Thursday 24<sup>th</sup> Nov 2016**

**9:00–11:30**

Seminar room RED, KI Huddinge, Novum 6<sup>th</sup> floor,  
Blickagången 6 / Hälsovägen 7

Hosted by: BEA (Core facility for Bioinformatics and  
expression analysis [www.bea.ki.se](http://www.bea.ki.se))

### **The TAC analysis workshop will include:**

- **Gene level analysis**
- **Alternative splicing analysis**
- **mRNA/miRNA array interaction networks**

**Space is limited so  
please RSVP!**

For registration or questions contact:

**Hanna Gräns, FAS**
